Joseph R. Maroney
Director of Fishery & Water Resources
Kalispel Natural Resources
Kalispel Tribe of Indians
P.O. Box 39 Usk, WA 99180

Dear Mr. Maroney,

We appreciate your support of our Lake and Stream Rehabilitation Program. As you know, it is an important and effective management tool used by fisheries management agencies across the country. Its value lies not only with restoring popular and economically important sport fishing opportunities, but also in the protection and restoration of native fish and wildlife species and their habitat.

Sincerely,

Bruce Bolding
Warmwater Fish Program Manager
